Education

Utrecht University

Nov. 2022 – ongoing

PhD in Sociology

- Why do highly educated ethno-racial minority individuals report more discrimination than their less educated counterparts? I study perceived discrimination in relation to educational attainment, the so-called 'integration paradox', in multiple European countries.
- Supervised by Frank van Tubergen, Meta van der Linden and Lucas Drouhot.

ENSAE IParis - National School of Statistics and Economic Administration

Sept. 2018 – June 2022

Engineering Diploma in Data Science for Social Sciences

- Specialization in Data Science for Social Sciences. Econometrics, Statistics, Applied Mathematics, Demography and Quantitative Sociology courses.

University of Versailles and Saint-Quentin

Sept. 2021 – June 2022

Master's Degree in Quantitative Sociology and Demography

- Research Master including courses in Sociogenomics, Demography, Cultural Sociology and Quantitative Data Analysis

Publications

- **Lavest, Chloé**, Ferry, Mathieu, Ichou, Mathieu, & Präg, Patrick (Forthcoming). "Who Do They Think You Are? Inconsistencies in Self- and Proxy-Reports of Education Within Families." *Social Science Research*.
- Bounie, David, Camara, Youssouf, Fize, Etienne, Galbraith, John, Landais, Camille, **Lavest, Chloé**, Pazem, Tatiana, & Savatier, Baptiste (2020). "Consumption Dynamics in the COVID Crisis: Real Time Insights from French Transaction & Bank Data." In *CEPR Discussion Papers* (No. 15474).

Ongoing Work

Beyond the Integration Paradox? with Lucas Drouhot, Meta van der Linden and Frank van Tubergen.

- Is the integration paradox unique to perceptions of ethno-racial discrimination, or can it be extended to study other discrimination perceptions? *Submitted to European Sociological Review. Reviews Requested.*

Growing Up Disillusioned? with Lucas Drouhot, Meta van der Linden and Frank van Tubergen.

- Do high educational expectations of children of immigrant feed their perceived discrimination and disaffiliation with their country of residence?

What Am I Discriminated For? Discrimination Awareness Spillover or Switching Effects with Merlin Schaeffer.

- How does manipulating ingroup and outgroup discrimination salience foster discrimination perceptions?
